

# Building Resilience Around Gaming and Gambling

INSET DAYS FOR EDUCATION PROVIDERS

## Flexible FREE INSET Days

We are a UK charity offering FREE INSET training to equip you with the knowledge and resources to inform, educate and safeguard the young people you work with about gaming and gambling.

Our workshops and resources complement the PSHE and RSE curriculum and provide cross-curricular links. We can train your staff, run sessions for pupils and offer parent workshops covering:

-  **Gaming / Gaming Disorder**
-  **Problematic Gambling**
-  **The Blurred Lines**
-  **Advertising**
-  **Access to over 100 resources**

Young Gamers and Gamblers Education Trust, 71 – 75 Shelton Street, Covent Garden, London, WC2H 9JQ.

## What's the big deal...?

Gambling is everywhere – through advertising, social media and even the games young people play. By building young people's resilience we can help them to make informed decisions and understand the potential risk of gaming and gambling.

The YGAM programme supports student enrichment programmes and the latest Ofsted framework around creating confident, self-assured learners who are prepared for life in modern Britain.

In a recent study\* of 11-16 years olds in the past seven days:

5% have taken illegal drugs

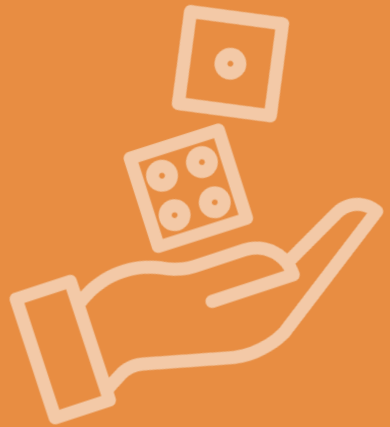

6% have smoked tobacco

16% have drunk alcohol

11% have spent their own money on gambling

## Let us help you support and empower the young people you work with.

If you're interested in arranging an inset session for your school we would be very pleased to discuss options and ideas. We can be reached during usual working hours.
